

A-STAR SPORTS HOLIDAY CLUB

A fun-filled multi-sports holiday club experience for children aged 3-12 years

A-Star Sports offers inclusive, developmental multi-sports coaching for children. Our holiday clubs focus on a high-energy combination of games, sports and all-round active entertainment for children aged 3+. Building on the fundamentals, your child will be introduced to and develop the skills for a broad range of sports, including basketball, cricket, dodgeball, football, handball, hockey, rounders, rugby, tennis and volleyball.

Plus additional activities inspired by *sport in the news* in celebration of sporting events around the world that keep us sporty grown-ups gripped!

With small group sizes and step-by-step support in a positive environment, your child will have a memorable multi-sports experience. Due to our great partnership with Cheshire County Sports Club (CH2 1PR – www.cheshirecountysports.co.uk), we're now offering our holiday club:

Terms and conditions

Holiday clubs

- A-Star Sports activities are primarily aimed at children aged 3-12. Children aged three and four will be considered in full consultation with families to ensure all the children enjoy themselves. Under Ofsted (England) / CSSIW (Wales) guidance A-Star Sports can only have children aged under five for four hours or less in any one day.
- Customers are required to drop off and collect children from within the premises of the holiday club.
- Customers are asked to double check all contact number(s) for their child / children at the drop-off point and inform their coach of any health issues (in addition to those on the application form) that may be relevant for that day. It is advised that children requiring (prescription) medication should take it prior to attending holiday club as appropriate. For children who need to self-administer medication (e.g. an asthma inhaler), parents / carers / guardians should advise the coach of their permission for their child to do this through the completion of a permission to administer medication form provided by the coach. For children who require basic support, please detail this on the booking form and discuss individual needs with the coach. For specialist support beyond a basic level and/or outside of a coach's training, parents / carers / guardians must remain with their children at all times.
- Children should be appropriately dressed for running around, particularly with their 'fast shoes' on!
- Customers must follow health and safety procedures as advised to them by their coach.
- Coaches make every effort to avoid injury during holiday club activities. In the event an injury should occur, coaches will administer appropriate first aid to children as required. Where an illness or an injury requires further emergency medical treatment, customers give their permission (if not present and not contactable by phone) for this treatment to take place by signing the booking form.
- All coaches hold up-to-date first aid certificates and are fully DBS checked.
- Customers accept that at times there will be physical contact between the coach and the children in a professional, caring manner.
- Should children bring their own snack (or packed lunch where appropriate) we ask that this does not contain nuts.
- Smoking is strictly forbidden in all coaching / holiday club venues.
